

Forbs / Herbs / Grasses

**Arundo/Giant Reed**  
(*Arundo donax*)  
Poaceae Family

**Green Fountain Grass**  
(*Pennisetum setaceum*)  
Poaceae Family

**Pampas Grass**  
(*Cortaderia selloana*)  
Poaceae Family

**Jubata Grass**  
(*Cortaderia jubata*)  
Poaceae Family

Groundcover / Vines

**Capeweed**  
(*Arctotheca calendula*)  
Asteraceae Family

**Crystalline Iceplant**  
(*Mesembryanthemum crystallinum*)  
Aizoaceae Family

**Highway Iceplant**  
(*Carpobrotus edulis*)  
Aizoaceae Family

**Periwinkle**  
(*Vinca major*)  
Apocynaceae Family

**This survey is being conducted for data collection purposes only - not to target stores, companies or geographic regions.**

**If a store employee asks what you are doing, please respond courteously and with the following message:**

*"I am participating in a statewide program that tracks the sale of invasive plant species in nurseries. The program is a joint effort between the horticulture industry, government agencies, scientists and environmental groups. It does not target specific stores, companies or regions but is merely an effort to gather general information in order to better understand the issue."*

**Shrubs**

**Bridal Veil Broom**  
(*Retama monosperma*)  
Fabaceae Family

**French Broom**  
(*Genista monspessulana*)  
Fabaceae Family

**Myoporum**  
(*Myoporum laetum*)  
Myoporaceae Family

**Portugese / Striated Broom**  
(*Cytisus striatus*)  
Fabaceae Family

**Scotch Broom**  
(*Cytisus scoparius*)  
Fabaceae Family

**Spanish Broom**  
(*Spartium junceum*)  
Fabaceae Family

**Scarlet Wisteria**  
(*Sesbania punicea*)  
Fabaceae Family

**Trees**

**Blue Gum Eucalyptus**  
(*Eucalyptus globulus*)  
Myrtaceae Family

**Chinese Tallow Tree**  
(*Sapium sebiferum*)  
Euphorbiaceae Family

**Russian Olive**  
(*Elaeagnus angustifolia*)  
Elaeagnaceae Family

**Saltcedar**  
(*Tamarix ramosissima*)  
Tamaricaceae Family
